Remarks.—"Alale" of Arsikere Taluk is excluded from the list of produce detailed above, as it will be sold as an independent item simultaneously

2. The auction will commence at 2 P.M., and if it is not concluded on the same day, it will be continued on the next following day at the same hour.

3. Defaulters on account of previous leases will not be permitted to bid.

4. No person will be allowed to bid unless he (i) produces a certificate from the Amildar of the taluk in which he resides in regard to his solvency and its extent or an exchange certificate as provided in clause 5 and (ii) deposits also with the officer holding the sale a sum of Rs. 200 which must be in the form of Cash or Currency Notes.

Note.—In the case of Taluks where the Minor Forest Produce Revenue may not fetch more than Rs. 200, a sum of Rs. 50 only should be deposited with the sale conducting officer.

5. The highest bidder shall deliver his solvency certificate to the officer conducting the sale and get in exchange, if he so desires, a certificate signed by the latter which will be a sufficient authority for him to bid at auction sale in any one of the remaining divisions. This exchange certificate shall be delivered to the officer conducting the sale in case the party named therein happens to be the highest bidder obtaining in lieu thereof, if he wishes a fresh exchange certificate for his use. The exchange certificate will contain all the particulars found in the Amildar's certificate with the details of purchase made in the sales of other divisions as well as in the one, in which the exchange certificate is sought for. The deposits of unsuccessful bidders will be returned immediately after the sale.

6. The exclusive right of collecting and removing the produce above described will be disposed of to the highest bidder, subject to the confirmation of the Chief Conservator of Forests and the Conservator of Forests, Shimoga, who, at his discretion, may accept or reject the highest or any other bid, without assigning any reason therefor.

7. The successful bidders shall immediately after the close of the sale, credit into the Government Treasury, one-quarter of the total sale amount including the deposit already made together with the local, railway and other cesses, on the entire lease amount at the rates prevailing in the District. In default, the deposit will be forfeited and the right resold. Such resales will be at the risk of the defaulting purchaser who will be liable to make good any loss that may result to Government but will have no claim to any surplus accruing therefrom. Such losses will be recoverable as an arrear of land revenue.

8. If the sale is not confirmed by the authority concerned, all moneys paid will be refunded to the party.

9. Within fifteen days of the intimation of the confirmation of the sale, the successful bidder shall execute an agreement with one or more sureties to the satisfaction of the Disrtict Forest Officer on a stamped paper of proper value procured at his own cost, and also furnish security deposit of Rs. 500 or one-quarter of the sale amount, whichever is less, for the due fulfilment of the conditions of the contract in the shape of Government Savings Bank Deposit.

In default either to execute the agreement with the necessary sureties or to furnish the required security or both, the contract will be cancelled and the right resold, the defaulter being liable for any deficit in the three-fourths of the original sale amount. He shall have no claim to any surplus accruing from such resale, but shall be liable for the loss arising therefrom which will be recovered as an arrear of land revenue under section 79 of the Mysore Forest Regulation or any other law in force for the time being.

Note.—(i) The solvency and the respectability of the sureties should be proved to the satisfaction of the Deputy Commissioner and the sureties shall be held responsible for all payments to be made under the lease and for the due fulfilment of all the conditions of the contract.

(ii) A sample form of the agreement may be seen at any of the District Forest Offices.

10. The balance of three-fourths of sale amount will be paid in three equal instalments as follows:—

First khist	on or before	1st February 1937.
Second	do	1st May 1937.
Third	do	1st February 1938.

In default to pay the instalments on due dates, the contract will be cancelled and the right resold, the defaulter being liable for any deficit in the amount due to Government less the amount already paid. He shall have no claim on the surplus accruing from such resale, but shall be liable to the loss arising therefrom, which shall be recovered as an arrear of land revenue, under section 79 of the Mysore Forest Regulation, or any other law in force for the time being.

Further conditions to be entered in the agreement are:—

(*a*) The lessee, his maistries or servants shall not cut or injure any tree in any way on the plea of collecting the produce.

(*b*) The lessee shall furnish a list of sub-contractors, agents or maistries and servants who may be appointed by him for the collection of the produce.

(*c*) The lessee shall work out the lease himself and not transfer or sublet it to others without the previous sanction of the Chief Conservator of Forests. If any sub-lessees are approved, such sub-lessees shall not further sublet it without previous sanction.

(*d*) The coolies employed by the lessee or sub-lessee must take permits from the Range Officers when they enter State Forests.

(*e*) The lessee or sub-lessee shall keep accounts showing the quantity of the produce collected and removed in accordance with the lease and permit the inspection of such accounts by any Forest Officer of and above the rank of a Ranger having jurisdiction within the area referring to the leases, and the Officers of the Revenue and the Police Department of and above the rank of an Amildar or Police Inspector, respectively.

(*f*) The lessee or sub-lessee shall render every month to the District Forest Officer, an account of the number of cart-loads of the produce collected and carted during the month.

(*g*) The lessee or sub-lessee shall provide printed licenses and passes in triplicate for the collection and for the export of the produce under his signature. In the latter case, each cart-load must be covered by a pass. These licenses and passes which will be in books shall be obtained from the Range Forest Officer and will have a seal of the District Forest Officer, impressed. The duplicate copies will be submitted to the Range Forest Officer, on the day on which the license or pass is issued. When the books are completed, the counterfoils should be returned to the District Forest Officer through the Range Forest Officer and fresh supply obtained.

Note.—(1) Forest Forms 84 and 85 shall be used.

(*h*) The lessee or sub-lessee, his agents or maistries and servants shall be held responsible for any fires caused by negligence either by themselves or by their workmen and shall prevent the occurrence of fires in the Forests in which they may be working and render prompt assistance in extinguishing such fires as may break out accidentally. They will be liable also under the Forest Regulation, irrespective of any action that may be taken under the contract.

(*i*) The lessee or sub-lessee shall remove out of the limits of the taluk before the 30th June 1938, all the produce collected and stored under the terms of the lease.

(*j*) Neither the lessee nor sub-lessee, nor his employees, shall enter the State Forests either before sunrise or after sunset.

(*k*) No collection of the Minor Forest Produce will be permitted in the State Forests during the fire season, *i.e.*, from the 15th February to end of April of each year.

(*l*) The lessee or sub-lessee shall not interfere with the recognised rights of Inamdars.

(*m*) The lessee or sub-lessee has no right to the produce or trees on occupied lands and the Village Amarai as detailed in para 1 above.

(*n*) No damage shall be caused to the trees while collecting the Minor Forest Produce ; any such damage will be assessed by the Range Forest Officer, which will be approved by the District Forest Officer. The District Forest Officer's decision in the assessment of the damages will be final. The assessed damages will be recovered from the security deposit of the lessee.

(*o*) The lessee or sub-lessee shall hold himself responsible for the acts of his agents or servants in the business of collection and transport.

(*p*) Interest will be charged at 6¼ per cent per annum on all belated payments.

11. In the event of breach of any of these conditions, the lease will be cancelled or the security amount forfeited in whole or in part or both these penalties will be enforced at the discretion of the District Forest Officer, the Conservator of Forests, Shimoga, or the Chief Conservator of Forests, as the case may be. In the case of mere forfeiture of the deposit amount, in part, or in full, the difference will be made good immediately by the contractor, and if not, the lease will be cancelled and resold at the risk of the original purchaser, who will be liable for any loss which will become recoverable as an arrear of land revenue but not participate in any profits.

N. VENKATARAMAIYA,
District Forest Officer.

BHADRAVATI DIVISION.

Abstract Notification dated 6th June 1936.

The attention of the public is invited to the detailed notification published on pages 895-896, Part VI of the *Mysore Gazette*, dated the 18th June 1936, calling for tenders for (*a*) timber felling and preparation and for carting of Government timber from coupes to Depots, (*b*) for carting of prepared Sandalwood from the Tarikere Sandal Koti to the Railway Station, Tarikere.

Notification dated 19th June 1936.

1. Sealed tenders for the collection, carting and stacking of firewood at rail heads, and preparation of charcoal both in cast Iron and country kilns, filling the same into bags, stitching and carting to Mysore Iron and Steel Works, Bhadravati, as per details noted below, will be received by the District Forest Officer, Bhadravati Division, up to 4 P.M., on Monday the 6th July 1936.

2. Each tender should be superscribed "Tender for collection of fuel and preparation and supply of Charcoal" and should be accompanied by a deposit of Rs. 50 in currency notes in each case.

3. Separate tenders should be given for firewood collection and charcoal work and each tender should accompany the deposit noted above.

4. The localities from which fuel has to be collected and charcoal prepared and supplied are detailed below.

5. The Conservator of Forests, Shimoga, will be at liberty to accept or reject the lowest or any tender without assigning any reason therefor.

In the case of unsuccessful tenderers, the deposit amount tendered by them will be returned.

6. Within fifteen days from the date of intimation of the fact of approval, the successful tenderer shall furnish a security of Rs. 100 and execute an Agreement on a duly stamped paper binding himself to the conditions noted below failing which the earnest money already furnished will be forfeited to Government and the contract cancelled.

7. Separate rate should be quoted for different items of work as noted in the remarks column below.

8. The particulars of working centres and the approximate quantity to be collected and carted from each working area, have been detailed below.

9. Since the quantity of fuel and charcoal proposed to be collected and supplied is meant for only the monsoon period, the contract will be terminated on 1st November 1936 in the case of firewood collection and 15th November 1936 in the case of preparation and supply of charcoal.

Conditions.

(*a*) Only such of the trees as are not marked by the Range Officer in charge of fuel works should be felled.

(*b*) While doing the fuel collection, works, etc., the contractor should see that no damage is caused to any trees by negligence in felling or cutting and dragging any tree or by striping off the bark or leaves or otherwise. The contractor should not fell, cut girdle, mark tops or injure by fire or otherwise any trees which are not marked by the Range Officer for felling.

(*c*) The tolls and other instruments required for charcoal preparation should be provided by the contractor himself. In burning charcoal, the contractor should not kindle any fire in such manner as to endanger the forest growth.

(*d*) No advances under any circumstances would be granted for the work. Payments will be made only on bills supported by the acknowledged invoices of the Iron Works.

(*e*) All the instructions issued by the concerned Range Officer should be adhered to.

(*f*) The tenderer must not sublet his work. The contractors or his duly authorised representative must be at the work spot always.

(*g*) If the contractor fails to supply the stipulated quantity each day, his contract is liable to be cancelled, making him responsible for all the losses that might occur therefrom.

(*h*) The orders of the District Forest Officer in all matters connected with the supply of firewood and charcoal will be final and in case of any breach of the rules, he may fine the contractor to the extent of Rs. 25.

(*i*) Empty bags will be supplied on indent from the contractor in writing, near the station yard to the duly authorised person.

(*j*) The contractor is held responsible for the loss of bags or materials lost in transit.

(*k*) The charcoal prepared by the contractor should be without braize and should be free from particles of fire, etc.

(*l*) The contractor shall abide by the rules of the Department as regards the kindling of the fires and shall hold himself responsible for any forest offences that may be committed by himself, his agents, employees or workmen.

(*m*) It should be clearly noted that the contractor should make his own arrangements in the matter of opening of roads, etc., in the forests for the carting of fuel and charcoal to the working centre.

(*n*) Felling should be made in a methodical manner from one side leaving the standards marked on the area intact along with trees less than one foot in girth; trees yielding Minor Forest Produce and all trees that are within a radius of six feet from sandal trees and saplings should be spared.
